NB. –Allowance for Third Party Costs and Disbursements

This allowance is based on today's charges for services set by Third Parties for which we have no control over future increases. The cost of these services might exceed the value allowed for in the Plan at the time of need. For this reason, only the Funeral Director's Services (our own charges) are fully guaranteed.

Should you choose Burial instead of Cremation, the Plan will include an allowance towards the opening of a new or existing grave

Our Funeral Director will be pleased to discuss the future funeral arrangements and provide a full list and break down of all third party costs. If necessary, the plan can be amended to suit your precise requirements e.g. including a Church service.
